

## **GALWAY VINTAGE CLARET 1961**

### **The Label :**

This high quality Claret was made from Cabernet and Shiraz grapes and possesses a fine bouquet and has a nice smooth Tannin finish.

This wine was matured in French Nevers oak casks before bottling. Although this wine is now ready to drink, it should live for a considerable time.

61% Shiraz & 39% Cabernet Sauvignon

**The Winemaker:** Rudi Kronberger

### **“The Lab” 27 November 1996 :**

Very pleasant light wine, extremely good value for money at 60c when brought out. Very good well balanced wine with light to medium body.

### **The Yalumba “Barrel Cellar” Tasting November 2003:**

Mahogany in colour with ruby hues. Sweet, lifted aromas of mocha, mushroom and leather on the nose. The palate is medium-bodied with subtle fruit characters still evident, along with secondary flavours of hazelnut, pepper and anise. A long clean finish. 4 stars.
