Winemaker Comments

The fruit for the Y Series Pinot Grigio is sourced from premium viticultural regions of South Australia. Careful hand-picking allowed the grapes to be picked at optimal ripeness. Whole bunch pressing was used to minimise colour and tannin extraction from the pink skins, followed by oxidative handling to naturally remove any remaining colour. Fermentation proceeded on full solids, utilising yeast indigenous to the vineyard. The wines were then left on their lees until blending, giving the final wine complexity and finesse.

Tasting Notes

Straw with green highlights in colour, this wine has an appealing mix of fresh aromas including feijoa, orange blossom, nashi pear and wild honey with a floral lift of jasmine and rose petal. The palate is refreshing and lively. It opens with layers of baked apple and pear skin flavours that are complemented by succulent acidity and oatmeal texture from wild fermentation and lees aging.

Enjoy with pork fillet accompanied by apple and fennel; or vegetable san choy bow.
